

## Iberville Parish Utility Department Stakeholder Survey

Your natural gas supplier has been directed by Pipeline Safety Regulation 49 CFR 192.616 to inform it's natural gas customers and non-customers living along the path of our buried pipelines on what to do in the event of an emergency (leak or fire) associated with our pipelines. This information is sent out annually to everyone living near our pipeline facilities. We are also required to follow-up to determine if the effectiveness of the information provided.

To accomplish this and to comply with these Federal Regulations, we are sending out a questionnaire requesting feedback from you. We would appreciate you taking a little of your valuable time to answer the following questions and return the questionnaire when paying your monthly bill by mail or at the Iberville Parish Utility Department office, located at 59705 Bayou Road, Plaquemine, LA. If you wish to make comments, please do so in the space provided.

- |  |              |                |
