The Issuer shall issue no other certificates of indebtedness or obligations of any kind or nature payable from or enjoying a lien on the revenues of the Tax having priority over or parity with the Certificates, except that additional certificates of indebtedness may hereafter be issued on a parity with the Certificates under the following conditions:
(1) The Certificates herein authorized or any part thereof, including the interest thereon, may be refunded, and the refunding certificates so issued shall enjoy complete equality of lien with the portion of the Certificates, which is not refunded, if there be any, and the refunding certificates shall continue to enjoy whatever priority of lien over subsequent issues may have been enjoyed by the Certificates refunded; provided, however, that if only a portion of the Certificates outstanding are so refunded and the refunding certificates require total principal and interest payments during any year in excess of the principal and interest which would have been required in such year to pay the Certificates refunded thereby, then such Certificates may not be refunded without the consent of the Owner of the un-refunded portion of the Certificates issued hereunder (provided such consent shall not be required if such refunding certificates meet the requirements set forth in clause 2 of this Section).

(2) Additional certificates of indebtedness may be issued on and enjoy a full and complete parity with the Certificates with respect to the Tax, provided that the combined principal and interest requirements for any calendar year on the Certificates and the said additional certificates of indebtedness may not exceed 75% of the revenues estimated to be realized from the levy of the Tax in the year in which such additional certificates of indebtedness are issued; it being provided, however, that the proceeds of said additional certificates of indebtedness are to be expended only for the purposes for which the Tax is levied.

(3) Junior and subordinate certificates of indebtedness may be issued without restriction.

(4) The Issuer must be in full compliance with all covenants and undertakings in connection with the Certificates and there must be no delinquencies in payments required to be made in connection therewith.

(5) The additional certificates must be payable as to principal on March 1st of each year, commencing not more than 2 years from the date thereof, and payable as to interest on March 1 and/or September 1 of each year.

SECTION 10) Budget and Financial Statements. As long as any of the Certificates are outstanding and unpaid in principal or interest, the Issuer shall prepare and adopt a budget prior to the beginning of each Fiscal Year and shall furnish a copy of such budget within thirty (30) days after its adoption to the Purchaser.

SECTION 11) Application of Proceeds. The Executive Officers are hereby empowered, authorized and directed to do any and all things necessary and incidental to carry out all of the provisions of this Ordinance, to cause the Certificates to be prepared or printed, to issue, execute and seal the Certificates, and to effect delivery thereof as hereinafter provided. The proceeds derived from the sale of the Certificates shall be deposited by the Issuer with its fiscal agent bank or banks to be used only for the purpose for which the Certificates are issued.
SECTION 12) Certificates Legal Obligations. The Certificates shall constitute legal, binding and valid obligations of the Issuer, and its successors in office, and shall be the only representation of the indebtedness as herein authorized and created.

SECTION 13) Ordinance a Contract. The provisions of this Ordinance shall constitute a contract between the Issuer, or its successor, and the Owners from time to time of the Certificates and any such Owner may at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel the performance of all duties required to be performed by the Governing Authority or the Issuer as a result of issuing the Certificates.

SECTION 14) Amendment to Ordinance. No material modification or amendment of this Ordinance, or of any Ordinance amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the Certificates then outstanding; provided, however, that no modification or amendment shall permit a change in the maturity or redemption provisions of the Certificates, or a reduction in the rate of interest thereon, or in the amount of the principal obligation thereof, or affecting the obligation of the Issuer to pay the principal of and the interest on the Certificates as the same shall come due from the revenues appropriated, pledged and dedicated to the payment thereof by this Ordinance, or reduce the percentage of the Owners required to consent to any material modification or amendment of this Ordinance, without the consent of the Owners of the Certificates.

SECTION 15) Recital of Regularity. This Governing Authority having investigated the regularity of the proceedings had in connection with the Certificates herein authorized and having determined the same to be regular, the Certificates shall contain the following recital, to-wit:

"It is certified that this Certificate is authorized by and is issued in conformity with the requirements of the Constitution and statutes of this State."

SECTION 16) Effect of Registration. The Issuer, the Paying Agent, and any agent of either of them may treat the Owner in whose name any Certificate is registered as the Owner of such Certificate for the purpose of receiving payment of the principal (and redemption price) of and interest on such Certificate and for all other purposes whatsoever, and to the extent permitted by law, neither the Issuer, the Paying Agent, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 17) Notices to Owners. Wherever this Ordinance provides for notice to the Owners of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Owner at the address of such Owner as it appears in the Certificate Register. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Owner entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent and the Issuer, but
such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 18) Cancellation of Certificates. All Certificates surrendered for payment shall be promptly canceled by either the Paying Agent or the Issuer. All canceled Certificates held by the Paying Agent shall be disposed of as directed in writing by the Issuer.

SECTION 19) Mutilated, Destroyed, Lost or Stolen Certificates. If (1) any mutilated Certificate is surrendered to the Paying Agent, or the Issuer and the Paying Agent receive evidence to their satisfaction of the destruction, loss or theft of any Certificate, and (2) there is delivered to the Issuer and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent that such Certificate has been acquired by a bona fide purchaser, the Issuer shall execute, and upon its request the Paying Agent shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Certificate, a new Certificate of the same maturity and of like tenor, interest rate and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost or stolen Certificate has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Certificate, pay such Certificate. Upon the issuance of any new Certificate under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith. Every new Certificate issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen certificate shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Certificate shall be at any time enforceable by anyone and shall be entitled to all the benefits of this Ordinance equally and ratably with any other Outstanding Certificates. Any additional procedures set forth in the Agreement, authorized in this Ordinance, shall also be available with respect to any mutilated, destroyed, lost or stolen Certificate. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of any mutilated, destroyed, lost or stolen Certificate.

SECTION 20) Discharge of Ordinance; Defeasance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid to the Owner, the principal of and interest on the Certificates, at the times and in the manner stipulated in this Ordinance, then the pledge of the money, securities, and funds pledged under this Ordinance and all covenants, agreements, and other obligations of the Issuer to the Owner shall thereupon cease, terminate, and become void and be discharged and satisfied, and the Paying Agent shall pay over or deliver all money held by it under this Ordinance to the Issuer.

Certificates or interest installments for the payment or redemption of which money shall have been set aside and shall be held in trust (through deposit by the Issuer of funds for such payment or otherwise) at the maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section if they are defeased in the manner provided by Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended.
SECTION 21) Successor Paying Agent; Paying Agent Agreement. The Issuer will at all times maintain a Paying Agent meeting the qualifications hereinafter described for the performance of the duties hereunder for the Certificates. The designation of the initial Paying Agent in this Ordinance is hereby confirmed and approved. The Issuer reserves the right to appoint a successor Paying Agent by (a) filing with the Person then performing such function a certified copy of an ordinance or ordinances giving notice of the termination of the Agreement and appointing a successor and (b) causing notice to be given to the Owner. Every Paying Agent appointed hereunder shall at all times be a bank or trust company organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, and subject to supervision or examination by Federal or State authority. The Executive Officers are hereby authorized and directed to execute an appropriate Agreement with the Paying Agent for and on behalf of the Issuer in such form as may be satisfactory to said officers, the signatures of said officers on such Agreement to be conclusive evidence of the due exercise of the authority granted hereunder.

SECTION 22) Disclosure Under SEC Rule 15c2-12. It is recognized that the Issuer will not be required to comply with the continuing disclosure requirements described in the Rule 15c-2-12(b) of the Securities and Exchange Commission [17 CFR '240.15c2-12(b)], because

(a) the Certificates are not being purchased by a broker, dealer or municipal securities dealer acting as an underwriter in a primary offering of municipal securities, and

(b) the Certificates are being sold to only one financial institution (i.e., no more than thirty-five persons), which (i) have such knowledge and experience in financial and business matters that they are capable of evaluating the merits and risks of the prospective investment in the Certificates and (ii) are not purchasing the Certificates for more than one account or with a view to distributing the Certificates.

SECTION 23) Arbitrage. The Issuer covenants and agrees that, to the extent permitted by the laws of the State of Louisiana, it will comply with the requirements of the Internal Revenue Code of 1986 and any amendment thereto (the "Code") in order to establish, maintain and preserve the exclusion from "gross income" of interest on the Certificates under the Code. The Issuer further covenants and agrees that it will not take any action, fail to take any action, or permit any action within its control to be taken, or permit at any time or times any of the proceeds of the Certificates or any other funds of the Issuer to be used directly or indirectly in any manner, the effect of which would be to cause the Certificates to be an "arbitrage bond" or would result in the inclusion of the interest on the Certificates in gross income under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of Certificate proceeds or (ii) the failure to pay any required rebate of arbitrage earnings to the United States of America or (iii) the use of the proceeds of the Certificates in a manner which would cause the Certificate to be a "private activity bond".

SECTION 24) Designation as "Qualified Tax-Exempt Obligations". The Certificates are designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code. In making this designation, the Issuer finds and determines that:

(a) the Certificates are not "private activity bonds" within the meaning of the Code; and

(b) the reasonably anticipated amount of qualified tax-exempt obligations which will be issued by the Issuer and all subordinate entities in calendar year 2013 does not exceed $10,000,000.

The Executive Officers are hereby empowered, authorized and directed to take any and all action and to execute and deliver any instrument, document or certificate necessary to effectuate the purposes of this Section.

SECTION 25) Publication. A copy of this Ordinance shall be published immediately in one (1) issue of the official journal of the Issuer.

SECTION 26) Award of Certificates. The Issuer hereby accepts the offer of the Purchaser to purchase the Certificates, attached as Exhibit "A" hereto. The Certificates shall be delivered to the Purchaser upon the payment of the principal amount thereof.

SECTION 27) Severability; Application of Subsequently Enacted Laws. In case any one or more of the provisions of this Ordinance or of the Certificates shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Ordinance or of the Certificates, but this Ordinance and the Certificates shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provisions enacted after the date of this Ordinance which validate or make legal any provision of the Ordinance and/or the Certificates which would not otherwise be valid or legal, shall be deemed to apply to this Ordinance and to the Certificates.

SECTION 28) Section Headings. The headings of the various sections hereof are inserted for convenience of reference only and shall not control or affect the meaning or construction of any of the provisions hereof.

SECTION 29) Effective Date. This Ordinance shall become effective immediately.
